THEME: POSITIONING THE CHURCH FOR ACCELERATION AND EXPANSION

Dear mission partners

Receive Lenten greetings.

Preamble:

The theme for the year 2023 which is Acceleration and Expansion. We recognize that God's agenda for the world is to reconcile every human being back to himself through his son Jesus Christ. The urgency of the Great Commission remains clarion call for all believers to be partners with God in accomplishing his purposes on earth.

The year 2023 started off with a lot of activities which signifies the growth and expansion of Anglican Missions Africa's. Join us as we celebrate and give thanks for God's favor and breakthrough.

Ministry Reports January- March 2023

1. The success of Healthy Church Training Course

We are delighted to share with you God's work through us since January to March 2023. We have experienced great revival and renewal among Bishops, Clergy and the Laity revealing passion for impactful missions

Healthy church training course is a practical missionary course with focus on Evangelism, Discipleship, Church planting and social mission. It is offered on site for five days and on line for three months one week each month. The course aims at equipping church leaders at grass root level

unlocking their potential for accelerated Church growth. Since the year started, we have conducted a several trainings, both locally and internationally as follows:

a). Healthy Church training in Butere

Evangelists and Pastors at Butere Miracle center during Healthy

On 16th- 19th January 2023, we conducted the training at Butere Miracle Centre for the Pentecostal pastors, hosted by Bishop Ibrahim Makoha. We were privileged to train 21 evangelists and pastors who showcased great enthusiasm for the mission.

b). Healthy Church Training in Rwanda

We were honored to initiate the first healthy church training in Rwanda for Kigali Diocese with clear strategy on church planting, evangelism and discipleship. This took place on 31st January to 3rd February 2023 where 62 church leaders were trained

c). Healthy Church Training in Madagascar

Bishops of Madagascar with AMA's Executive Director Rev. Canon Richard Mayabi and Capt. Patrick Jehl in Antananarivo

Anglican Missions Africa was present in Madagascar from 5th-8th February 2023, where we successfully completed vision casting with all Bishops and church planting evangelists in Antananarivo. A total of 12 evangelists were trained.

d). Caddet Training

On 13th -17th February 2023, we conducted an online Caddet training based on Healthy Church course, where 24 people were trained. This enabled the training of different church leaders from different dioceses simultaneously. These dioceses include; Mombasa, Kitale, Mumias, Kericho, Taita Taveta, Bungoma and Malindi.

e). Healthy Church Training in Kajiado

AMA has entered in partnership with Kajiado Diocese to undertake a comprehensive healthy church training for both Clergy and Laity. The first training being on 6th – 10th March 2023 with a total of 24 evangelists being successfully trained.

Anglican Missions Africa visited the Anglican Diocese of Cameroon on 25th March - 1st April 2023. We successfully trained 65 clergies and lay people therefore equipping them for church planting movement. Each of them will train 15 more people for church multiplication, thus contributing to the growth of churches in Africa. In addition, AMA distributed a total of 5 tents to be used in church planting.

Mega mission mobilization in Mbeere

Between 13th and 17th of March, we had intensive mobilization of local evangelists with training in 5 different centers covering the entire Diocese namely: Siakago (130), All Saints Church Kiritiri (179), St. Stephens Ngenge (139), Christ the Savior Ishiara Church (147), St. Johns Karaba (120).

The total number of trained personnel was 715. The training focused on equipping leaders in their roles for sustainable evangelism and discipleship.
